Every terminal agency that enters records destined for NCIC/WACIC must ensure hit confirmation is available for all records, except III, 24 hours per day either at the agency or through a written agreement with another agency at its location. The terminal agency printer must be monitored 24 hours per day. This interagency agreement must be current and approved by the CJIS Systems Agency (CSA), the Washington State Patrol (WSP) before agencies adopt the policies and procedures set forth by the agreement.
